## HAWAII: THE YOUNG MAN'S LAND.

Hawaii, our island territory, is today the land of opportunity for the energetic white man. There are probably more self-made millionaires residing in Honolulu than in any city of twice its size on the mainland.

There are scores of millionaires made and in the making in Hawaii at the present time. Men of moderate means last Spring became by Fall men of great wealth, after the sugar crop had been marketed. Small planters of pineapples, of a few seasons ago, are men of high finance today, expending hundreds of thousands of dollars annually advertising their output, that was not worth a tenth that sum all told a decade ago. New men are entering the field, the Government is sending tens of thousands of men to man the greatest fortifications the world has known that must be built by white labor, new industries are springing up, creating new men of wealth, and those who have made their millions are retiring to enjoy life under the most ideal conditions imaginable.—Alexander Hume Ford in the August Van Norden Magazine.

M. F. Scott, conducting his own case, has filed a seventeen-page brief in his appeal from judgment against him in the suit of B. F. Dillingham. He contends that a former decision of the Supreme Court, ordering a retrial, was to the effect that the Kona Sugar Co. and not he was the accommodated party in the promissory note for \$1100 sued on, but that the trial judge persistently ruled in favor of plaintiff's theory that he, Scott, was the party accommodated.

## SMOKER FOR PRIVATES OF THE NATIONAL GUARD

All privates of the National Guard of Hawaii are invited to attend a smoker to be held Thursday evening, in the Shooting Gallery, beginning at 7:30. During the past year a number of very enjoyable smokers have been held in the bungalow by the non-commissioned officers, but owing to lack of room it was found difficult to have any for the privates. Now, however, it is found possible to do so, by using the new Shooting Gallery for the purpose. Those who have the matter in hand are planning a series of these gatherings, to be varied from time to time, by entertainments of a more formal nature in the way of concerts, etc. A good deal of effort is being made to make this first of the series an enjoyable and successful affair. A full attendance is hoped for. Music, games and refreshments will be the order of the evening.

## THE HONEST PROPRIETARY MEDICINE

fills a national need in the land and it will take more than the cry of "fraud" and "fake" from the avaricious, over-reaching physician to overthrow an honest, reliable and standard preparation like Lydia E. Pinkham's Vegetable Compound, which is made from the roots and herbs of the field, and has cured more women of female ills than any other remedy we know of.

## JUST IN TIME

Some Honolulu People May Wait Till It's Too Late.

Don't wait until too late. Be sure to be in time. Just in time with kidney ills Means curing the back. Before backache becomes chronic; Before serious urinary troubles set in.

Doan's Kidney Pills will do this: Here is testimony to prove it. Mrs. Mary Hinson, 21 Strother St., Mt. Sterling, Ky., says: "I believe that if I had not used Doan's Backache Kidney Pills, I would not be living today. My health was very poor and two of our best physicians stated that I had diabetes and could not expect to recover. They gave me a year to prepare for my sad fate. The kidney secretions were very unnatural and contained a heavy sediment and at times my body became bloated. I was nervous and suffered severely from headaches and dizzy spells, during which spots floated before my eyes. I often had to grasp something for support. My back was also very weak and I could not stoop to button my shoes, in fact, could hardly get around. I was so much impressed by a testimonial given in favor of Doan's Backache Kidney Pills that I decided to try them and procured a box. They gave me immediate relief and I continued taking them until I was in good health. I have but little trouble from my kidneys now, thanks to Doan's Backache Kidney Pills."

Doan's Backache Kidney Pills are sold by all druggists and storekeepers at 50 cents per box (six boxes \$2.50) or will be mailed on receipt of price by the Hollister Drug Co., Honolulu, wholesale agents for the Hawaiian Islands. Remember the name, Doan's, and take no substitute.
